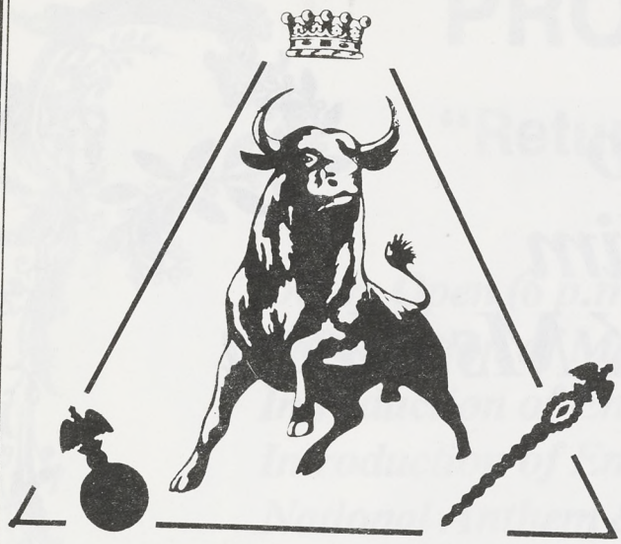
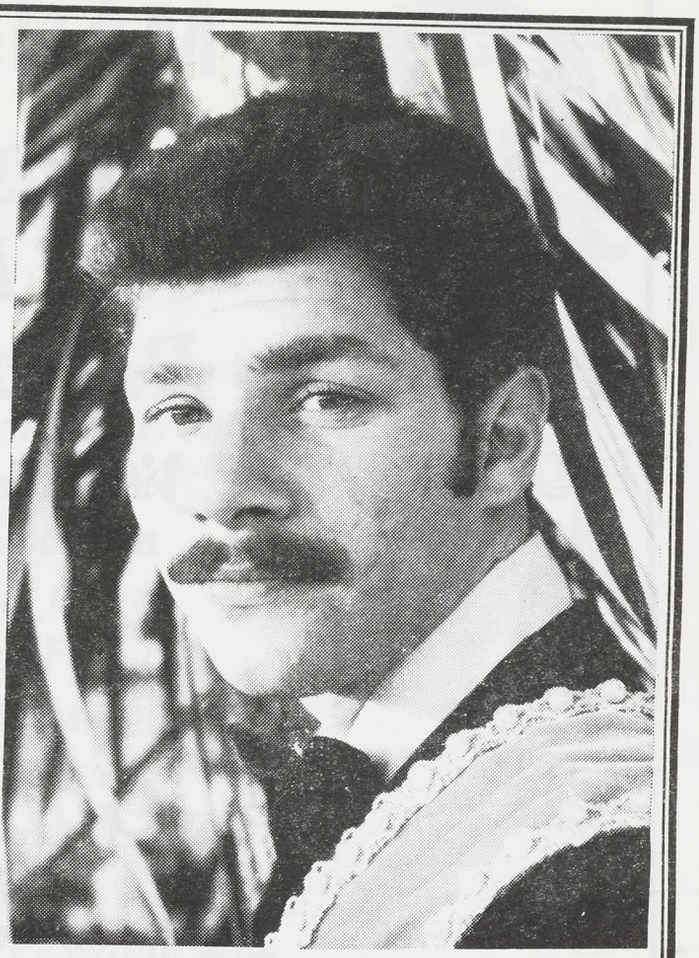
CORONATION 78

"Return to Tara"

Welcome to San Jose

Thank you Community & Friends
Good Luck & Best Wishes
With Love in my eyes
Peace within my heart
Unity for All.
Her Imperial Royale Majesty
Empress Reina X Ms. Jean





As I write this farewell letter, I think back on all of my dreams and hopes for the office of Emperor and for San Jose. When I was elected last July, I felt a great personal obligation as the first elected Emperor, to set a good precedent and to pave the wqy for all of my successors to come. I hope I have done this.

To the many people that put their faith in me, THANK YOU. Because the Emperors primary duties are to his constituents of the greater San Jose area, most of my time has been spent here. I fulfi||ed my obligations at the out of town functions, where I met many beautiful people. It has been a year of my life I will never forget.

Though my year comes to an end tonight, my reign has just begun. I will continue to fight and work for what I believe is true, right and honest. We must put aside our differences and work for the objectives that will lead us to our goals. A word of advise to the new Emperor and Empress, temper your judgments and actions with diplomacy, logic and insight.

THANK YOU EVERYONE
